

HARRISBURG VeggieFEST

at Strawberry Square

Vendors Wanted

Join us on Saturday, August 17!

Harrisburg VeggieFest is a celebration of plant-based healthy living featuring local vegetarian and vegan food vendors, craft beer and cider, and much more. Proceeds from Harrisburg VeggieFest benefit the Central Pennsylvania Food Bank.

PLANT-FRIENDLY VENDORS

We are looking for vegetarian, vegan and other plant-friendly local vendors to participate in Harrisburg VeggieFest. You'll be able to showcase and sell your wares to an engaged audience throughout the duration of the event.

For \$25, we provide:

- 6'x 8' vending space
- Your company name listed on our website, hbgveggiefest.com
- Social media shares about your participation in HBG VeggieFest
- Your table showcased on a map each attendee will get upon entry
- If needed, a 6' table is available to rent for an additional \$10 fee.

BREWERIES & CIDERIES

We are looking for local craft brewers and cider makers to share their product with our 21+ guests. Bring a flagship or something new and interesting to sample for the engaged crowd.

RESTAURANTS

As a "VeggieFest," we're looking for restaurants to showcase their vegetarian- and vegan-friendly abilities through food samples for VeggieFest ticket holders. Those providing vegetarian dishes will be asked to note each dish's ingredients.

All fees are waived for sponsors and those providing samples for the event.
